**Missions & Evangelism Track**

The Missions and Evangelism Track is designed to develop in students the ministry skills for efficiently and competently sharing the gospel in various settings and cultures.

Measurable Learning Outcomes for the Missions and Evangelism Track:

† The student will apply the principles of bible-based evangelism in various settings and cultures.

† The student will formulate strategies for reaching unbelievers or the unchurched with the gospel.

† The student will demonstrate practical evangelistic skills needed for bringing people to faith in Christ.
